

Other Family Trees – MARRIS of Hull (1)

First Generation

1. **Thomas Marris** was born about 1772/1773. He was buried on 10 Dec 1820 in Holy Trinity, Hull, Yorks.

This is one of a number of MARRIS trees that has not been connected into the main Marris pedigree published on www.marrisfamilyhistory.uk.

Another Marris researcher provided me with the main points of this tree which starts with Thomas Marris and Catherine Willson. It was originally suggested that this Thomas Marris was the son of George Marris and Ann Gillyatt who married on 10 May 1771 at Elsham, Lincs (see "Marris of Wrawby" tree). However, that seems wrong because that Thomas was of Binbrooke in his lifetime and was buried at Kirmond-Le-Mire, Lincs, on 24 Apr 1844, aged 71.

The descendants of Thomas & Catherine Marris were not too hard to trace but it is not clear who Thomas Marris's parents were. The Holy Trinity, Hull, registers show the burial of Thomas Marris on 10 Dec 1820, aged 47, which indicates he was born around 1772 or 3. It is not conclusive that this was the same Thomas Marris, but I have assumed it for now.

Thomas married **Catherine Willson** on 2 Apr 1800 in All Saints, Sculcoates, Yorks. Catherine was born on 8 Jan 1769 in Stallingbrough, Lincs. She died on 25 Sep 1864 in Hull Workhouse, Yorks.

The Sculcoates PRs record the marriage by Banns of Thomas Marris, bachelor and Catherine [she signed Catharine Willson], both of this Parish, on 2 Apr 1800. The witnesses were Mary Willson, Susannah Willson and Mark Barker.

The 1841 Census at Humber Street, Holy Trinity, Kingston-up-Hull shows:

Catharine Marris, 70, Ind, N
George Marris, 30, Porter, Y
Thomas Marris, 25, Porter, Y
Edward Holgate, 12, Y

The 1851 Census at 47 Humber Street, Holy Trinity, Kingston-up-Hull shows:

Catharine Marris, Head, Widow, 82, Independent, born Lincolns Stalinborough
Thomas Marris, Son, Widr, 40, Porter, born Hull
Thomas Marris, Gr Son, U, 14, Blacksmith, born Hull

Martha Marris, Daur, U, 10, 12, Scholar, born Hull

In 1861, Catherine Marris was living in the household of her son Christopher (below. She died in the workhouse.

Thomas and Catherine had the following children:

+ 2 M i. **William Marris** was born on 30 Aug 1800. He died in Jun 1850.

3 F ii. **Susa Marris** was christened on 11 Oct 1802 in Holy Trinity,
Kingston-upon-Hull, Yorks.

The Vital Records Index (V2) shows the baptism of Susa. [sic] Marris on 11 Oct 1802 at Holy Trinity, Hull, the daughter of Thos & Kathe. [sic] Marris. Nothing more is known about her.

+ 4 M iii. **Christopher Marris** was born in Jan 1806. He died on 14 May 1881.

+ 5 M iv. **George Hutchison Marris** was born in Apr 1808.

+ 6 M v. **Thomas Marris** was born in 1811.

Second Generation

2. **William Marris** (Thomas) was born on 30 Aug 1800 in Hull, Yorks. He was christened on 31 Jan 1801 in Holy Trinity, Hull. He died in Jun 1850 in Hull, Yorks.

William married **Ann Patrick** on 18 Jul 1822 in Holy Trinity, Hull, Yorks.

It is only circumstantial that William's wife was Ann Patrick. This was the only marriage in Hull that closely preceded the birth of son John Marris (below).

The VRI V2 from the LDS gives the baptism of William, son of Thos & Catherine Marris, at Holy Trinity, Hull, on 31 Jan 1801, with his date of birth given as 30 Aug 1800.

The 1841 Census at Humber Street, Holy Trinity, Kingston-upon-Hull, shows:

William Marris, 40, Porter, Y

John Marris, 15, Porter, Y

William Barlow, 25, Porter, Y

The June 28, 1850 edition of the Hull Advertiser records the death of "William, brother of Christopher Marris, Fishmonger of Hull, aged 45."

William and Ann had the following children:

7 M i. **John Marris** was born about 1826 in Hull, Yorks.

The only trace of this John Marris was in the 1841 Census above where he a Porter living in the same household as his (presumed) father William. They were living in Humber Street, as were William's widowed mother Catherine and his brothers George and Thomas.

4. **Christopher Marris** (Thomas) was born in Jan 1806 in Hull, Yorks. He was christened on 12 Oct 1807 in Holy Trinity, Hull. He died on 14 May 1881.

Christopher married **Emma Gill** on 20 Feb 1834 in Sculcoates, Yorks. Emma was born about 1814 in Bessingby, Lincs. She died on 4 May 1871 in Hull, Yorks.

The Sculcoates PRs record the marriage by Banns on 20 Feb 1834 of Christopher Marris and Emma Gill, both of this Parish. The marriage was witnessed by George Heall and Elizabeth Marlow.

The 1841 Census at Queen Street, Kingston-upon-Hull, Yorks, shows:

Christopher Marris, 35, Fishmonger, Y
Emma Marris, 25, Y
Frederick Marris, 6, Y
Charles Marris, 4, Y
Christopher Marris, 2, Y
Catharine Marris, 1 week, Y

Who was Catharine (above)? Was she perhaps Jesse Abilgail Marris (bapt 24 June 1841) and the name was changed between the birth and baptism?

The 1851 Census at Lowgate, Kingston-upon-Hull, shows:

Christopher Marris, Head, 45, Fishmonger, born York Hull

Who was Eliza Marris in the above Census? Was she Emily Anne Marris (bapt 1 July 1847?)

The 1881 Census at 19 West St, Hull, Yorks, shows:

Christopher Marris, Head, Widr, 75, Fish Monger, born York Hull

Christopher's death was recorded in the Hull News (14 May 1881 edition) which described him as a fish merchant, age 76, of 19 West Street, Hull.

Christopher and Emma had the following children:

- + 8 M i. **Frederick Thomas Marris** was christened on 12 Feb 1835. He died in Mar 1922.
- 9 M ii. **Charles William Marris** was christened on 19 Jan 1837 in Holy Trinity, Kingston-upon-Hull, Yorks.

16 M ix. **George Henry Marris** was born in Sep 1851 in Hull, Yorks.

There is uncertainty about George Henry Marris. His age always seems to be about 2 years out in the Censuses when he was at home (see above). However, the available evidence (below) indicates that it was this George Marris who married Ann Maria Harvey (widow) as described below.

George married **Ann Maria Harvey** in Jun 1874 in Hull Reg. Distr., Yorks. Ann was born in 1849/1850 in Hull, Yorks. She died on 14 Feb 1925 in Hull, Yorks.

FreeBMD shows the birth of George Henry Marris in Sep Qtr 1851 at Hull Reg. Distr., Yorks.

FreeBMD shows the marriage of George Henry Marris & Annie Maria Harvey in Jun Qtr 1874 at Hull, Yorks

Admon. To; Alice Maud Leighton (Wife of John James Leighton).

5. George Hutchison Marris (Thomas) was born in Apr 1808 in Hull, Yorks. He was christened on 18 Oct 1812 in Holy Trinity, Hull.

Nothing more was found on this family after 1851

George and Ann had the following children:

- 17 M i. **George Marris** was born on 14 Apr 1847 in Hull, Yorks. He was christened on 27 Jan 1856 in Holy Trinity, Kingston-upon-Hull, Yorks.

- 18 M ii. **William Henry Marris** was born on 26 Nov 1850 in Hull, Yorks. He was christened on 27 Jan 1856 in Holy Trinity, Kingston-upon-Hull, Yorks.

- 19 F iii. **Catherine Marris** was born on 10 Nov 1854 in Hull Reg Distr., Yorks. She was christened on 27 Jan 1856 in Holy Trinity, Kingston-upon-Hull, Yorks.

6. **Thomas Marris** (Thomas) was born in 1811 in Hull, Yorks.

The baptism of Thomas hasn't been located.

Thomas married **Sarah Atkinson?** on 4 Mar 1833 in Holy Trinity, Hull, Yorks. Sarah was born in 1802/1803. She died in Sep 1849 in Hull Reg Distr., Yorks. She was buried on 22 Sep 1849 in Holy Trinity, Hull, Yorks.

The assumptions (below) about the marriage and children of Thomas Marris are, indeed, only assumptions. Everything fits quite well but it would be useful to have stronger evidence.

The assumption is that the above Thomas Marris married Sarah Atkinson. The Holy Trinity, Hull, PRs record the marriage of Thomas Marris, Cabinet Maker, and Sarah Atkinson, both of this Parish, on 4 Mar 1833, The witnesses were Charles Angus(?) Glover(?) and ?????.

The GRO index of deaths shows the death of Sarah Marris in September Qtr 1849 at Hull. The Holy Trinity, Hull, PRs show her burial on 22 Sep 1849. The burial entry described her as "Aged 46, of Hull". We know from the 1851 Census that Thomas Marris was a widower by 1851, so perhaps this is the record of Sarah's death.

More evidence is needed before Sarah Atkinson can be reliably placed in this particular Marris tree. Sarah Marris appears in the 1841 Census at Holy Trinity, York, Yorks, with three year-old child Thos F Marris in the same household. The evidence points to the child's full name being Thomas Frankish Marris. The 1841 Census entry is as follows:

Sarah Marris, 35, Y

Thos F Marris, 3, Y

Thomas and Sarah had the following children:

+ 20 M i. **Thomas Frankish Marris** was born in 1838.

21 F ii. **Martha Marris** was christened on 31 Mar 1842 in Holy Trinity, Kingston-upon-Hull, Yorks.

In the 1861 Census at Lady Well St, Welton, Yorks, Martha Marris is found in the Halliday household as a domestic servant:

Martha Marris, Un, 19, Domestic Servant, born Hull, East York.

Martha married **Layton Eratt** in Sep 1864 in Sculcoates Reg. Distr., Yorks. Layton was christened on 13 Mar 1834 in Holy Trinity, Kingston-upon-Hull, Yorks.

FreeBMD shows the marriage of Martha Marris in Sept Qtr 1864 at Sculcoates Reg Distr., Yorks, with George Arundell and Eratt Layton shown on the same page of the marriage register. The GRO marriage index confirms she married Eratt Layton (i.e. same Vol & Pg No).

It may be the same Martha who appears in the 1871 Census at 11 Clyde Terrace, Kingston upon Hull, Yorks, which shows:

Martha Erutt (sic), head, W, 30, Shop Keeper (Grocer), born Yorks Hull

Sarah A Erutt, daur, 5, scholar, born Yorks Hull

Ada Erutt, daur, 4, Scholar, born Yorks Hull

... and two boarders

Third Generation

8. **Frederick Thomas Marris** (Christopher, Thomas) was christened on 12 Feb 1835 in Kingston-upon-Hull, Yorks. He died in Mar 1922 in Sculcoates Reg. Distr., Yorks.

Frederick married **Mary Thompson** in Jun 1866 in Sculcoates Reg. Distr., Yorks. Mary was born about 1843. She died in Jun 1895 in Hull Reg Distr., Yorks.

Frederick's wife is assumed to be Mary Thompson because:

- a) Frederick was single at the time of the 1861 Census
- b) He was married to Mary at the time of the 1871 Census
- c) the GRO marriage index shows Frederick marrying in Jun Qtr 1866 at Sculcoates.
- d) On the same page of the GRO marriage index appears Mary Thompson

The 1871 Census at 3 Ebenezer Place, Holy Trinity, Hull, shows:

The GRO death index records the death of Frederick T Marris in March Qtr 1922 at the age of 85. This would mean he was born around 1836/37.

Frederick and Mary had the following children:

- + 22 M i. **Arthur Ernest Marris** was born in Sep 1870. He died in Dec 1946.

- 23 F ii. **Alberta Maria Marris** was born in Mar 1875 in Hull Reg Distr., Yorks.
She died in Mar 1932 in Sculcoates Reg. Distr, Yorks.

Alberta married **Richard Bellis** in Dec 1902 in Hull Reg Distr., Yorks.
Richard was born in 1875/1876.

The GRO index of marriages record the marriage of Albertha (sic) Maria Marris in December Qtr, 1902 at Hull Reg. District. On the same marriage page are Richard Bellis and George William Rouse. Richard Bellis is preferred here because the GRO index of deaths shows the death of Alberta Bellis in March Qtr, 1932 at the age of 56 at Sculcoates.

The 1911 Census at a large institution for House Inmates, Hospital Patients and Vagrants at Myton, Hull, shows:

Against her entry (later crossed out) was written that she had one child still living. The only birth of a Percy Marris in the Hull area at that time was Percy Taylor Marris, born December Qtr 1909. Although Dec Qtr 1909 is a little early, one assumes it was the same Percy – although sight of the birth certificate would be useful before confirming it.

The marriage, death and will of Percy Taylor Marris are not in doubt.

There were two births registered in 1891 for William Henry Marris (June Qtr 1891 at Sculcoates, Yorks) and Sep Qtr 1891 at Hull, Yorks). I have chosen the June one for this William Henry although one would really need to see a Birth Certificate to be sure.
